

IECEX CHILL CHAMBER - 20' CONTAINER

ORDER CODE: ACUCON

DESCRIPTION

Our IECEX Chill Chamber is a standalone 20' DNV certified container, lined with refrigeration panels complete with a built-in IECEX certified 4kW air conditioner and 2x 16A 1Ph IECEX Outlets (CEAG or Stahl). The unit is ideally suited to provide a temporary refuge area for workers in hot climates, to increase productivity and reduce the effects of heat stress and fatigue.

KEY FEATURES

- IECEX certified for zone 1 and 2
- Simple plug and play operation - powered from site power
- Can be landed in hazardous areas
- Locate it next to the worksite
- Waterproof
- AS/NZS 60079 compliant
